name so It thrilled me when I heard its choice For  
so I thought per haps that it were best If

12

she that I love is the same. So we agreed to come to  
I should ask our fate to know. Just let your eyes tell to my

15

you And ask if we should go or stay So  
own The words I wish your lips to say Don't

18

let me beg what e'er you do Dear one don't send my heart a way. \_\_\_\_\_  
leave me lone ly, all a lone Dear one don't send my heart a way. \_\_\_\_\_
